

Beach fishing for salmon in Albany

Experience some of WA's best fishing this salmon season!

Salmon fishing hotspot map inside!

Keep the sand between your toes. Chase salmon along the beaches!

Salmon fishing tips

1. **Location:** The best salmon fishing is from the beach. Check out some popular salmon fishing locations on the other side of this flyer
2. **Time:** Salmon can be caught any time of day, however, try fishing at dawn and dusk when salmon are often in close to the beach
3. **Gear:** Beach fishing for salmon using lures is popular. We recommend using metal slices, stick baits, poppers and shallow diving bibbed minnows
4. **Spotting salmon schools:** Access an elevated position such as a sand dune to see salmon schools moving past
5. **Clothing:** Wear polarised sunglasses to help you spot salmon in the water
6. **Individual Bag Limit:** 4 (min. size 300 mm)
7. **Edibility:** ★★☆☆☆☆

Keeping your catch fresh

Salmon is a tasty and healthy option provided you follow these tips:

- Bleed your fish immediately after capture
- Place your catch into an ice slurry
- Remove the red meat from the middle of the fillet prior to cooking
- Cook fresh and enjoy!

Salmon fillets are most popular when:

- Smoked
- Used in a fish curry (red or green)
- Used in a pasta bake
- Used for fish cakes

Please note: Do not leave any fish remains on the beach — use any bins provided.

Free loan lifejackets

If you plan on fishing from the rocks make sure you wear a lifejacket.

* Lifejackets are compulsory if you go on the rocks for any purpose at Salmon Holes, Albany *
