

Expression of Interest

Project Officer - Lake Kununurra Barramundi

Application Closing Date: 5pm, 1 March 2021

Employment Type: Part time (approximately 1 Day/ week)

Employment Length: 2 years

Estimated Start Date: March/April 2021

Location: Kununurra

Are you passionate about fishing in the East Kimberley? Do you live in Kununurra and have first-hand experience fishing Lake Kununurra? An opportunity now exists for a part-time project officer based in Kununurra to help Recfishwest deliver on its promotion of Lake Kununurra's evolving barramundi fishery and to demonstrate the value of the barramundi stocking program to the broader WA community.

Role Responsibilities

Your role will be to support local stewardship of barramundi as a sportfish and barramundi stocking into Lake Kununurra and promote Lake Kununurra to WA travelling anglers as a trophy fishing destination. Some of your responsibilities will be:

- Coordinate fishing info and photo content creation, including managing contractors and liaison with RFW Communications team to support promotion of the fishery;
- Coordinate community involvement in local fish stocking events;
- Liaise with the Lake Kununurra Barramundi Stocking Group to perform citizen science fish monitoring activities and reporting;
- Support the development of new promotion initiatives.

To be considered for this position, please send your resume and a cover letter outlining your passion to help promote Lake Kununurra's iconic barramundi fishery and your skills to deliver on the position's responsibilities.

Application Closing Date: 5pm, 1 March 2021
